FIRST LOOK: 40TH ANNIVERSARY COHIBA

CUBA'S LATEST HABANOS FESTIVAL COMMEMORATED FOUR DECADES OF THE ICONIC COHIBA BRAND.

To celebrate in style, the Cubans released a limited-edition 40th Anniversary Cohiba, packed in humidors made by Elie Bleu. The size is a new one for the Cuban cigar industry, 7 1/2 inches long (the same length as a Cohiba Lancero) and 52 ring (the thickness of a Cohiba Siglo VI.) The size has been dubbed Behike. European Editor James Suckling has sampled one of the first, and calls it a classic. See page four.
